

Homework Club

What is Homework Club?

Homework Club is a safe, supervised time to get your homework done while you're still in school. Just think of the possibilities! If your homework is done before you even leave school, you don't have to worry about bringing all your books home and spending your evening doing homework. You'll have time to hang out with your friends, enjoy life, and possibly never hear those dreaded words "Is your homework done?" ever again!

Where and when does it meet?

Homework Club meets Monday through Thursday from 3:40-4:40 in the Media Center.

Who teaches it?

Mrs. Anderson, and Mrs. Taylor are the teachers.

What can I do at Homework Club?

You can do your homework, get assistance from the teachers, check out books, read, work on projects, and access the computers for educational purposes. You can also receive free Math tutoring and become the Math genius your mother knows you to be!

How will I get home after Homework Club is over?

It's your lucky day! If you are bus eligible, you can ride the free Activity Bus at 4:40. Just sign up with Mrs. Anderson.

I'm sold! How do I sign up and when does Homework Club begin?

You must sign up to attend Homework Club. Sign-up sheets will be available at registration. Homework Club begins Monday August 31, 2009. See you there!
