- PS 1 *I can practice my instrument on my own the needed amount of time to perform my songs with mastery. Demonstrating this through my Smart Music recordings and class performance, showing that I am getting better through my daily practice.
- PS 2 * I can make the expected sound on my instrument by correctly holding, breathing and forming my mouth and hand position and using correct posture.
- PS 3 *I can demonstrate mastery of my assigned songs that show I am able to play my instrument at the expected mastery level of the class with correct technique.
- PS 4 * I can identify the names of notes on the Treble and Bass Clef, play the music rhythms and identify the terms on the musical staff.
- PS 5 *I can listen closely and blend my volume/dynamics, match pitch and copy rhythms with my classmates for the assigned music.
- PS 6 *I can find the parts of a song that I cannot perform correctly, isolate the problem, practice the problem slowly with repetition, slowly fix the problem. This applies to personal and group practice.
- PS 7 *I can watch my teacher/conductor, follow the silent gestures and signals given to perform as a high achieving ensemble.

PS 8

*I can attend all required concerts, show that I can be prepared for the performance, behave correctly and help the audience enjoy the performance.
