

Welcome to Ecker Hill!

It is my pleasure to welcome you to the 2020-2021 school year. Many parents are anxious about the upcoming school year – so are we. Our parents, teachers, administrators, and students are about to embark upon a school year filled with unknowns. It is our job to support them throughout this unprecedented time. We do not yet know how we will be called upon to serve during this “new normal,” but we know that together our school community will rise up, pitch in and give toward the needs of our students.

**We ask you to join us by becoming a PTO member today
in support of our students, teachers, and administrators!**

In the past, our funding provided for a variety of gatherings, field trips, classroom supplies, and more. Although we will continue to aid those efforts, we know that this year our teacher grants and special initiatives committees will be called upon in new ways to assist student learning – both online and in the building.

Thank you in advance for being a strong part of our school community. We wish you and your student(s) the very best in this coming school year. Please know that you are part of a team that will do everything possible to create a safe, happy and healthy learning environment for your children.

Please feel free to reach out if you have any questions or want information about PTO. To register or donate, visit <https://eckerhillpto.com/membership>.

We are “Stronger as a Pack!”

Sincerely,

Bonita

Bonita Hutchison
2020-2021 PTO President

P.S. Volunteers have always been vital to success of our PTO! We welcome any skills you have in strengthening our efforts. Register at <https://eckerhillpto.com/volunteer-opportunities>.
